Glory Days Grill attempts to identify ingredients that may cause reactions in people with food allergies. We make every effort to instruct our food production staff, servers, and management on the severity of food allergies. While we do our best to accommodate all allergen requests, there is always a risk of contamination. We cannot guarantee that our kitchens or our suppliers are 100% allergen-free. There is the possibility that manufacturers of the foods we use could change the formulation at any time and without notice. Guests with food allergies need to be aware of this risk. Glory Days Grill does not assume liability for adverse reactions to foods consumed, or items one may come into contact with while eating at Glory Days Grill.

Some of our food may contain allergens including nuts, soy, seafood, dairy, etc. Except for our gluten free fryers, all of our fryers cook more than one type of food offering, including seafood and shellfish. If you have any dietary concerns, please notify your server.

1,200 to 1,400 calories a day is used for general nutritional advice for children ages 4 to 8 years, and 1,400 to 2,000 calories a day for children ages 9 to 13, but calorie needs vary.
